

# UNIVERSITÀ DI PARMA

DIPARTIMENTO DI SCIENZE  
MATEMATICHE, FISICHE  
E INFORMATICHE

The Auditorium S. Elisabetta is located in Parma University Science and Technology Campus (Parco Area delle Scienze). The Campus is at the south border of the city. You can get there by bus; the obvious choices are bus lines 7 and 21. You can board both either at the Railway Station or in city center. If you take bus number 21 it will take slightly more than 20 minutes to get to the Campus from Parma Railway Station (it takes less if you board the bus in city center, namely Piazza Ghiaia/Via Mazzini). If you take bus number 7 your journey will be some 5 minutes longer (again, you can board it both at the Railway Station and in city center, e.g. Piazza Ghiaia/Via Mazzini). Both lines depart every 15 minutes. In front of the bus you will read either “Università SUD” or “Campus” as final destination.

You can inspect below the location of the Auditorium S. Elisabetta within the Campus. Finding it is very easy: after the bus has entered the Campus, get off at the third stop. That stop is just in front of the Engineering Department (see the map below: Dipartimento di Ingegneria). Auditorium S. Elisabetta (Centro S. Elisabetta on the map) is nearby (as you can see).

UNIVERSITÀ DI PARMA

Parco Area delle Scienze, 7/A - 43124 Parma
